## ONLINE ORDERING IS AVAILABLE THROUGH ESTIMATE TO ORDER (ETO)

Visit <http://360portal.allegion.com> to get started or email [online.ordering.access@allegion.com](mailto:online.ordering.access@allegion.com) to sign up.

ETO offers much more than placing online orders including:

- Net price and list price are both displayed based on your buying program.
- Configure products, build hardware sets and place an order, or you can export to Excel.
- Build a dynamic cross-reference between your part numbers and Allegion part numbers. Any time a description, price or other product data is changed, your cross-reference will automatically be updated.
- Request a quote or quote revision directly from an estimate.

Visit <http://360portal.allegion.com> to get started or email [online.ordering.access@allegion.com](mailto:online.ordering.access@allegion.com) to sign up.
